Becker, MN 55308

The Shock Shop Policy:

- Every effort is made to keep pricing as accurate as possible, however all pricing quoted by email, phone, or the website, is subject to change.
- Estimates are written after a thorough inspection of your components.
- We truly care about you as a customer, and authorization by the customer is required before any work will proceed or be completed.
- If service is declined after estimate has been written, there will be a fee charged for estimate/teardown.
- Payment method is to be provided upon approval of the estimate.
- Balance is due in full before pickup or delivery. The Shock Shop will sell any customer components after 180 days from completed invoice date(to cover charges).
